WORK EXPERIENCE

The Sparks Foundation (October 2020 - November 2020)

I have worked here as a data science and business analytics intern. Here I implemented various machine learning algorithms to predict the desired result and to find hidden patterns among data.

EDUCATION

Computer engineering (2018 - Present)

From Government Engineering College Gandhinagar
Current CPI: 7.8

Higher Secondary School Certificate (2017 - 2018)

From Shardamandir Modern School
85.16%

Secondary School Certificate (2015 - 2016)

From Shardamandir Modern School
84.67%
